RE: Telecom Notice of Consultation CRTC 2017-112, “*Development of the Commission’s Broadband Funding Regime*”, Intervention of SSi Micro Ltd.

Dear Ms. May-Cuconato,

1. In accordance with the procedure established in Telecom Notice of Consultation CRTC 2017-112, “*Development of the Commission’s Broadband Funding Regime*”, SSi Micro Ltd. is pleased to submit the accompanying Intervention concerning the establishment of the broadband funding regime, including its governance, operating, and accountability frameworks, as well as eligibility and assessment criteria for proposed projects.
2. We greatly appreciate the opportunity to participate in this key proceeding, an essential component to help bring about the new regulatory framework established for telecommunications in Canada.
3. All of which is respectfully submitted,

SSI MICRO LTD.
